- The scholarship period for the degree (Master's-2years, Doctoral-3years) and research program (6months ~ 1 year) cannot be extended once the scholarship is terminated.
- The change in period during the Korean language program will not affect the scholarship period for the degree program.  - Those who receive TOPIK level 5 or 6 within the first 6months of the Korean language program will be exempt from 6-month language training and must start their degree program in the following semester. The total scholarship period for these scholars will be shortened to 2.5 years for Master's degree scholars and 3.5years for Doctoral degree scholars.
- Research program scholars, upon their completion of the program and before returning back to their countries, must submit their thesis or research results that include methods, data collection, and discussion of the findings as well as the academic advisor's evaluation on scholar's performance.

- If one wishes to be exempt from the Korean language program, the 64th TOPIK score is the last TOPIK score one can report to NIIED to request for exemption from the Korean language program. One must submit the valid TOPIK certificate to NIIED and his or her university by end of June, 2019.

○ Korean language institution is assigned to each student based on following criteria:

○ Korean language institution for each GKS scholar will be announced along with the list of finally selected GKS scholars.
